

Shark Tooth Diving

Are you afraid of getting eaten?
Why teeth? /no other shark bones?
Why so many?
Why here (or there)?
Why the different colors?
Where can I go, here?
What do you do with them?

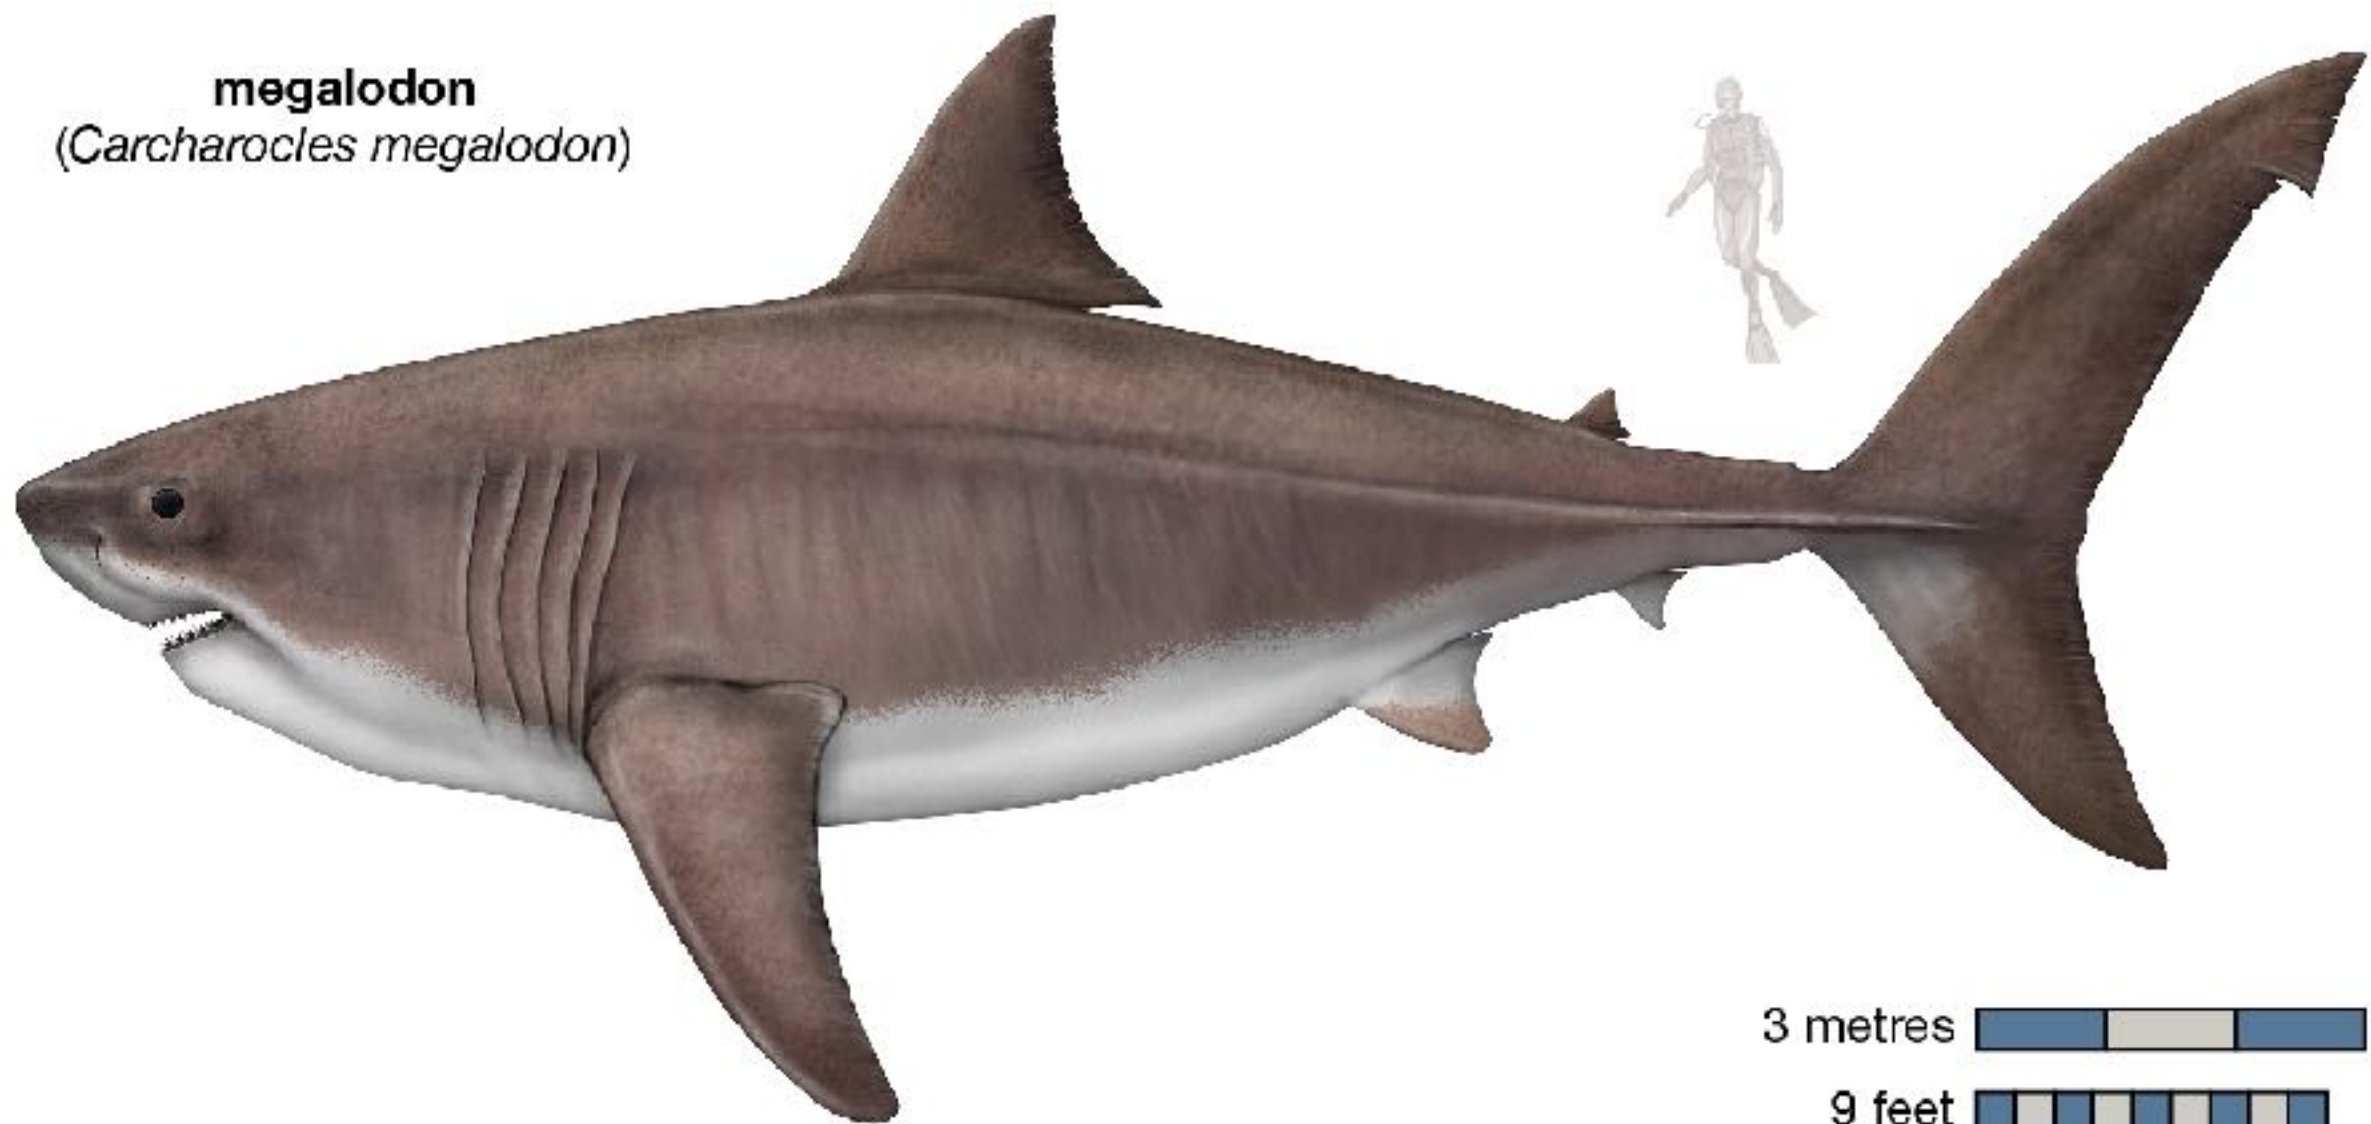

Modern Sand Tiger Shark
Carcharias taurus
Lower dentition

How Different Shark Species Measure Up

megalodon
(*Carcharocles megalodon*)

3 metres 

9 feet
