- Equipment Servicing -**

Spring Cleaning?

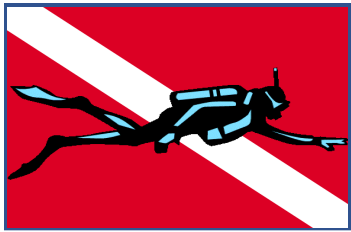

- This time of year, many divers get back into the water due to:
 - Winter Pause,
 - Break in Diving,
 - New or Experienced Diver Buying Used Equipment,
- It's Important to assess your equipment to make ensure that IT, along with you, are ready to get back in the water!
 - Do You Know Where It Has Been?
 - How has it been Treated?
 - Did You Rinse/ Clean It After the Last Use?
 - When Was The Last Time It was Lovingly Serviced?
 - Dark Basement In a Moldy Corner?
 - Has it been Abused?
 - Just Threw It In a Damp Bag?
 - Don't Know??
