WHAT IS NOT INCLUDED IN THE LAND PACKAGE:

Air travel. United, Delta and American Air are options. We like to fly as a group (ask me for my flights). But, you are not obligated to fly with the group. I will still arrange your transportation from the Bonaire airport to the Resort on the days of arrival and departure.

Valet Diving: For \$125.00: Once you bring your gear to the dive shop on day 1, the dive crew will set up your equipment, change it between dives, and rinse and store it after the dives. **The diver is still responsible for double-checking their equipment before entering the water.**

Non-package boat dives: 1-tank: \$51.00 2-tank: \$85.00

Tips for boat personnel. **Please be generous.**

Tips for restaurant personnel and housekeeping. Please be generous.

Car or truck. Your airline, or the tour desk at the resort, can help you handle

rental. NOTE: You don't really need a car/truck. There is great shore and boat diving right at the Resort. But, some people are "born to explore" the outer reaches of the island.

A Marine Park Tag must be purchased online at stinapa.bonairenaturefee.org (\$45.00/divers; \$25.00/snorkelers) (subject to change).

Visitor Entry Tax must be paid online at www.bonaireisland.com a few days prior to arrival (USD \$75)(subject to change).

Dive gear (except tanks, weights and weight belt). You can rent dive gear.

Travel insurance (HIGHLY RECOMMENDED). I use D.A.N. Generali.
