

## Seagrape Plantation Resort, in West End, Honduras December 6-13 2025

**Packages Starting at \$963.90 Per Person**  
**{excluding airfare and to & from airport in the states}**

The Villages Scuba Club is returning to Roatan Honduras December 6-13, 2025. Same date, different Resort. The Seagrape Plantation Resort & Dive Center has recently been remodeled. The property is located in a very quiet part of West End with numerous quiet lounge areas, swimming pool, and snorkeling on house reef.

Many of our divers remember Ricky from Sun Divers. This is his family's resort and he is now running the dive shop. For dinner you will be able to walk right next door or walk down to the busy Half Moon Bay area and pick the restaurant of your choice. Whether it's drinks, dinner, shopping or all of the above you will love interacting with the locals. You can take a \$5.00 water taxi ride if 3 or more people, to West Bay.. Enjoy snorkeling, walking down beautiful beaches, and visit the numerous big resorts. There is plenty

of shopping, and things to do in these two areas. See why we fell in love with Roatan and it is the place to go. <https://www.seagraperoatan.com/>
